

Annalisa Gastaldello

Annalisa Gastaldello joined the JRC of the European Commission in Ispra (Italy) in September 2022 as Project Officer working on alternatives to animal testing in biomedical research. Prior to this position, she spent 13 years in the UK where she gained a PhD and Masters in Cardiovascular Science from the University of Edinburgh, and worked as a researcher in several fields of biomedicine (endocrinology, cardiovascular diseases, immuno-oncology). She has extensive lab experience with both animal and non-animal models.
